

Research Libraries, Researchers and the EOSC - How do they interact?

Southern European Landscape

Online Workshop, 18.1.2021

Housekeeping Rules

- The workshop & breakout rooms will be recorded. The recordings will be used for internal purposes only.
- Please keep your camera off & your microphone muted for the first part of the workshop during the presentations. Questions? Raise your hand or put them in the chat.
- Join in the conversation! This is an interactive workshop so make sure to turn on your camera and microphone during the brainstorming sessions.

Aims of the project

1. Five interactive workshops covering diverse geographical areas within Europe and involving both Multidisciplinary & Technical Universities in the discussion.
2. Outline the value of EOSC for researchers and research libraries
3. Determine the input needed from them as key stakeholders
4. Develop the How & What for their active involvement in EOSC
5. Illustrate a feedback mechanism to continuously inform EOSC
